cobalt blue bottles, they are so pretty) here is a book that may help you: "Cobalt Blue Glass Edition" by Schiffer Books was printed in 2001 so will not reflect current values but can help you identify your items. If you are pretty sure of what you have, you may want to have a professional appraiser authentic and value your chandelier and lamp as Mazzega products can be worth thousands of dollars.Question: I have 15 stamps from Slovenia, 1945 that show the face of Adolph Hitler. Where can I get an appraisal?Answer: Before you get your candy jar appraised you may want to learn more about it by doing some research. Published in 2018, it is a rare new book on the topic. To find out more about your specific bottle, try the Bottle Research Group of the Society of Historical Archeology or the Encyclopedia of Manufacturers Marks on Glass Containers. You can contact customer service to see if they would still be honored for admittance.Question: I have an old looking, wooden carousel goat, no saddle, face faces forward. You should quickly identify who made your glass as well as the pattern. Value, of course, depends on location as well as current interest. I love it and if it is an antique would love to insure its proper value.Dolores Monet (author) from East Coast, United States on July 22, 2019:Most trunks were made in the U.S.A. between the 1860s to the early 1920s. Also take a look at an appropriate book like: Standard Catalog Pf World Coins. Would this have any significance as to where, or who made it, or if it is an antique? Genin had a huge business in New York owning one store near the corner of Ann and Broadway, and another department type store. "Hatatorium An Essential Guide for Hat Collectors" by Branda Grantland, Mary Robak, etc. When I was a kid, you returned bottles and earned a few cents. Some years back, I found information about the figure that was made in the late 1800s or early 1900s by the Gebruder Heubach Company of Thuringia, Germany. You may need a magnifying glass as marks can be quite small. The two-dollar bill with Thomas Jefferson and a green seal on front; an engraving of a painting by John Trumball and Declaration of Independence 1776 on the back is a current bill. But if they turn around and sell it for \$5,000.00, you might not be so happy. Karraker. Of course, you can't sell a Victorian armoire and meet the buyer in the parking lot at Denny's. When you try to learn about what you have, read the maker's mark on the bottom. Then you can attempt to sell them yourself online, contact a collectors group, or find a dealer who will give you a reasonable price. Like plants, there are so many maker's marks. You can try the Worthpoint Mobile App if you have a membership to Worthpoint online. There are many modern pieces of cobalt blue glassware as well as reproductions. You want to be sure that you are comfortable with the lowered price.Selling Antiques at AuctionAn auction can be a good resource if you have a large collection of smaller items or one real good item. Fires, storms, and demolition destroyed many of these beautiful carved animals. Also, there are many carousel museums around the country including The Hershell Carousel Factory Museum of Tonowanda New York. Look in these books to see if your piece is included: "The Complete Cookie Jar Book" Schiffer Book for Collectors "Ultimate Collector's Encyclopedia of Cookie Jars Identification and Values" by Fred Voring and Joyce Roering. It was designed by Ernst Gordon and is called "Tulpan". Bicentennial. If they were common, I'm sure we would've found them online by now.Thank you.Dolores Monet (author) from East Coast, United States on June 26, 2018:Hi Angel - Clay Sketches figurines were produced in California from 1943 - 1957. Many sellers, dealers, and auction houses will not touch any kind of Hitler memorabilia. There are other tests you can find online. As most carousel animals were horses, other animals, such as your goat, are more valuable. (Maybe the area it was made might help) Should I get it appraised?Answer: The unique quality of your table will make it difficult to value. If you have a horse you think is a Fraley and want it identified, send me a pic and I'll tell you what it is if I know it. Articles, photos and other carousel and/or amusement park related content always needed. Coleco bought the franchise and began mass marketing in 1982 leading to a fad that had people standing in line outside of toy stores for hours in the cold in order to buy their children dolls for Christmas. If the kids are not interested in keeping your antiques, they may earn some cash by selling them, something made easier for them with your written appraisal. Silver plated flatware, trays, coffee pots, sugar bowls, creamers, and trays can be picked up at thrift shops for very low prices.Religious items may not get you what you want. If you think that it's Depression Glass try "Depression Glass: A Collector's Guide" by Doris Yeske; or "Warman's Depression Glass Handbook" by Identification, Values, Pattern Guide" by Ellen Schroy.Question: I have a small blue glass medicine bottle with the glass dropper still workable. Learn more by checking out some books that can help you judge the age of your firelogs: Early American Andirons and Other Fireplace Accessories by Henry J. I tried this once years ago while trying to learn more about an item and the person I spoke with was quite helpful. There are tons of such books available online and can be quite inexpensive if you buy a used one. Question: I live in Ohio and was wondering where to begin in terms of valuing and selling my old things? Pink was a popular color produced by many manufacturers. I greatly value the things passed down to me from loved ones and would never part with most of them as the sentimental value is too great.Maybe I never met my great grandmother, but I look at her beautiful Flow Blue china and can touch something that she touched. Something that may have been a hot commodity in 1999 may have fallen out of fashion. Question: I have some blue glass, but I'm not sure how much they're worth. Value depends on condition, age, and details. You can find the article online. You may be surprised at how unique the shapes are. Demand sets value. Question: I have a set of late 1940's Homer Laughlin China and 12 brass wall medallions (measuring from 30+ inches to 8 inches in diameter) made in England, and I have no idea what they are worth or how to find out or how to sell them. Then you can move on to a dealer. In addition, changing markets decreased the value.Antique Textiles—a 200-Year-Old+ SamplerPhoto by Dolores MonetHow to Take Care of Your Old ThingsTake proper care of your antiques and collectibles. Or on eBay.Price guides can be an excellent resource in helping to identify an item but are not the best way to understand its value. Find a helpful book on Depression Glassware to learn what you have. Question: I have cookie jar that is over 100 years old. I have no idea how old they are, or if the inlay is real mother of pearl. Today's regulations prevent the addition of toxic elements in the production of dishware. Thank you!Dolores Monet (author) from East Coast, United States on November 27, 2018:If you are looking for a specific item for sale (for price comparison) online, remember that inventories change quickly and often. First, you need to find out more information on carousel animals. There are several tests to help identify and age ivory. You may find it difficult to get someone else to do this work for free. " Homer Laughlin: Decades of Dinnerware, With Price Guide" by Bob Page. So who should I bring them to, to get looked at?Answer: The United Federation of Doll Collectors is a font of information about dolls so you may want to check out their site to learn of doll conventions and dealers. This holds true for high end, very old, or significant pieces by master craftsmen. As prices change and a sign is an expense and not easily altered, stamped or painted on prices may mean your sign is a repro. Is the glass dishware, drinking glasses, or bottles? Before you attempt to sell your Barbies, learn their values. "Occupied Japan for Collectors" from Schiffer Publishing and "The Collector's Encyclopedia of Occupied Japan Collectibles" by Collectors Books can help you identify your items. The more information you have will increase your ability to learn about your antique. Sure it was able to ID a few plants but not all the plants that I tried. You do not want your dim witted son-in-law to throw the Victorian Renaissance Revival table in a dumpster or ship it off to Goodwill. I would first try the first suggestion.Question: I have a letter dated 1895 that was written by Queen Victoria to one of her cousins about an upcoming wedding, written on her personal stationery. (2013). If you want to identify an old item yourself be prepared to do some research. Reproductions can be fun to buy and use but they do not have the value of a genuine antique. There are a few aspects that can help you narrow down a date. They have heavy iron handles and an iron clasp around the bottom and the print is just strange. Some silver products are in higher demand than others so command a higher price. Look for squared, rolled, beaded, or rounded edges. Selling Your Antique or Collectible on CraigslistI know plenty of people who have arranged successful deal s on Craigslist both buying and selling. CaruselNet.com™, Caruselstores.com™, Caruselstores.net™, CaruselsNet.com™, CaruselsOnline.com™ and CaruselResources.com™ are the property of Zubee Internet Services and may not be used without written consent from same. You can do this by checking out a book on silver or consulting an online site like the online encyclopedia of silver hallmarks. If you check out eBay, follow an auction to see the final price, not the asking price. Any suggestions would be appreciated. Prices range from \$90.00 - \$190.00.Ernest Gordon designed for Afors between 1953 - 1963. During the height of the collecting craze of the late 20th century, reproductions were often intended to fool naive shoppers. Look for any labels or stamps on the sides or bottom of the pieces. Features like gold or silver leaf or iconic decorations are highly desirable. Visit trade shows and dealers to see what they have and how they price their coins. You can learn a lot about your goods yourself before you commit to an appraisal that will cost well over one hundred dollars. Older books will not reflect current values but will help you learn about what you have. Age tests can be expensive, the risk of legal problems is daunting, and the confusing laws are just too much trouble to deal with. However, they are a few years old so the prices may be out of date. If it's floral pattern, mention the type of flower. Take a look at a book for more information including "Barber Shop: History and Antiques" by Schiffer Books for Collectors. Problems like cracked bindings, missing pages, stains, foxing, and tears will effect the value. My local antique dealers are stumped. D. The dealer said that she would never be able to get the stated price because the value of each piece is actually determined by how much money people are willing to pay for it. A photograph may help but to say that just because you own the same chair shown in one of Mathew Brady's Abraham Lincoln portraits does not mean that your chair is the exact one shown in the picture.Questions & AnswersQuestion: I have a \$2 bill and I want to know what the value is?Answer: Two dollar bills have been issued since 1862. Keep them out of harm's way.Do not attempt to refinish a piece of old or antique furniture. Tarnish may damage sterling. Provenance means that a paper trail has followed the item throughout the years. My wife and I have a large set of distinct mid-century hand blown glass, stemware and barware from the Scandinavian Afors factory (now Kosta Boda). Look at the other symbols on the bottom of your platter to learn more about it. Find out how much your specific items are selling for by searching out current sales. You can identify what you have with a little investigation. Everyone had trays, vases, and little figurines that they purchased on the cheap. You can also check out Dollreference.com or Dollprice.com. Some are from Germany. You can also try a consignment shop.Question: I have 3 don Quixote books from the 1700s. They will charge a percentage so the more you make, the more they make. Value is high for the unique, less for something that has been mass produced. Many old metal signs were lost to World War II scrap drives, and many deteriorated due to weather or sloppy storage. How much is it worth?The collecting craze that began in the 1970s created a demand and values skyrocketed. Good luck! (Sorry to hear of the loss of your mother. Produced since the 18th century, podstakannik became more ornate during the Victorian era. If your candy jar is worth \$25.00 that would be a waste of money. Once you get an idea of what is it that you have and its value, then consider any added insurance.
